

Specification Sheet

Description **Abbi Blue 15ART-BLU / 15ABBI-BLU**

The Abbi Blue combines the benefits of fuel and DEF (AdBlue) into a transportable fuel tank for highways. With a 1,500 litre compartment for diesel fuel and a 160 litre compartment for DEF, you can refuel vehicles and machinery effortlessly. The Abbi Blue features the following:

- 🔴 **Access hatch:** allows easy access to inner tank for inspection and routine maintenance
- 🔴 **DEF (AdBlue) tank and equipment cabinet:** fully enclosed lined cabinet that houses and protects your DEF and dispensing equipment
- 🔴 **Lifting eyes:** four lifting eyes for easy handling (empty/full)
- 🔴 **110% bunded:** weatherproof bund ensures safe and environmentally complaint transport and storage
- 🔴 **Fuel equipment cabinet:** lockable integral equipment cabinet that keeps all equipment secure while capturing any accidental spill or drips
- 🔴 **Mobility:** designed around mobility, the Abbi Blue enables easy refueling around any site
- 🔴 **Forklift pockets:** quick and easy manoeuvring when detached from trailer
- 🔴 **Internal baffles:** designed to maximise stability and safety when handling the tank full of fuel

Specifications
