

Specification Sheet

Description **Abbi Road Tow** Part No **10ABBI | 10ABBIH6M | 10ABBIH6MT**

The Abbi Road Tow 10ART is a 985 litre storage tank built to transport fuel on public roads and highways as well as refuelling construction sites. The full-load lifting eyes, internal baffles and forklift pockets provide secure and reliable mobility for fuel.

(Pictured with trailer option: 10ABBIH6MT)

- 🔴 **Access hatch:** allows easy access to inner tank for inspection and routine maintenance
- 🔴 **Lifting eyes:** four lifting eyes for easy handling (empty/full)
- 🔴 **110% bunded:** weatherproof bund ensures safe and environmentally complaint transport and storage
- 🔴 **Fuel equipment cabinet:** lockable integral equipment cabinet that keeps all equipment secure while capturing any accidental spill or drips
- 🔴 **Mobility:** designed around mobility, the Abbi Road Tow enables easy refueling around any site
- 🔴 **Forklift pockets:** quick and easy manoeuvring when detached from trailer
- 🔴 **Internal baffles:** designed to maximise stability and safety when handling the tank full of fuel
