

# Specification Sheet

Description **TransCube 50TCGCAB**

## HSNO Approved Stationary Container approved for the storage of diesel fuel.

*The TRANSCUBE 50TCGCAB is fully banded (steel in steel) to ensure environmental compliance with EPA Guidelines.*

- 🔒 4800 litre model to be transported full of diesel, (transport empty on public roads).
- 🔒 Featuring a large 700mm deep lockable cabinet to house all pumps and equipment
- 🔒 Easily stacked 2 high (full), 3 high (empty) to reduce storage space requirements.
- 🔒 Access manhole for maintenance and inspection of inner tank.
- 🔒 Full load lifting eyes, forklift pockets and internal baffles designed to allow handling of the TransCube 50TCGCAB full of fuel.
- 🔒 Secure lockable access hatch to house pumps (electric and petrol powered) and feed and return connections for up to 3 generators.
- 🔒 Ability to supply fuel for up to 3 generators and refuel plant machinery all at the same time.
- 🔒 Sized to stack inside shipping containers and across truck beds providing economical transportation.
- 🔒 Protective galvanised framework preventing damage to tank, paintwork and decals.

Specifications			
Standard Tank Fittings: 3" Fill Point : 2" Fill Point : Gauge : Pressure Vacuum Vent : Breather Vent : 1 x ¾" Pump Feed : 1 x ½" Generator Feed & Return : 4 x 1½" Sockets : 1 x ½" Socket : Inspection Manhole : Pump Bracket			
Capacity (brim full) Litres:	4800	Weight Laden (kg):	5690
Capacity (safe fill) Litres:	4500	Weight Unladen (kg):	1820
Dimension Length (mm):	3000	Tank Material (thickness):	5mm
Dimension Width (mm):	2308	Paint Colour:	RAL 9003
Dimension Height (mm):	1320	Design Approvals:	TNK 10024
Cabinet Dimensions (mm) Opening Size:	700mm	Design Standards:	AS 1692-2006
