# BASIC PLUS PACKAGE

The Basic Plus package is for the client who wants extra flow when pumping fuel. This package features your choice of tank below, the Piusi Italian pump system (pictured left) with an impressive flow rate of 100LPM, a Donaldson filter (pictured centre) and a mechanical display for easy recording of fuel pumped. This is a great economical choice for customers and at a price point that is of an advantage. Below is a list of the Basic Plus Slimline Series packages:
